

Reach

We are in trouble
I feel it for the first time
I think it is the last time
That we can be apart
We'll never find each other
When we try to court another
We couldn't find each other
When we try to see another

Will you be there when I'm coming tomorrow?
Would you take me into your arms?
If I bet we are ment for each other
Would you be the one who wants to make the first step?

Somebody tells me we've got a second chance now
But even if it is so
Somehow I believe that you should go
We'll never find each other
When we try to court another
We couldn't find each other
When we try to see another

Will you be there when I'm coming tomorrow?
Would you take me into your arms?
If I bet we are ment for each other
Would you be the one who wants to make the first step?
